We will be joining the Missoula team in Banff, Alberta for their 3rd annual Fall Thanksgiving Ski Racing Camp. Last year they had a great time and anticipate to have even more fun this year! The parents also had a great vacation (skiing, shopping, sightseeing, hiking, etc.) We will ski for six days (2 sessions per day) focusing on racing fundamentals and spend some time with GS and SL tactics. There will also be daily team activities (i.e. Hike, Football/Soccer game, strategy games, etc.). Video analysis and daily lesson will also be held everyday after skiing.

We will have a Thanksgiving dinner on Thursday night. Last year they found a nice restaurant that catered a special Thanksgiving style dinner for our entire team. The food was GREAT and they hope to secure the same reservations again!

On Saturday, November 28 there is a World Cup Men's Downhill at Lake Louise (about 45 minutes from Banff). Everybody is encouraged to attend! We had a great time last year at this race as many of the kids were busy receiving autographs, swag, racing bibs, talking with racers, etc. Attendance to the World Cup is obviously FREE, skiing optional.

If you have any questions please email Roger Bay at wajabay@yahoo.com (406-581-6480) or Jarod Roberts at jarod.roberts@gmail.com (406)493-6723.

I hope you all can come!
