PAYMENT SUMMARY:

Program fees or installment payment from above \$ _____

Donation in lieu of volunteering \$ _____

BSF Alpine fundraising keeps fees as low as possible—an additional \$500 per athlete must be raised just to cover program costs. Fundraising events which bring necessary revenue to the club require the assistance of many, much-appreciated volunteers. A "Volunteer Questionnaire" must be completed and submitted with registration. Families should consider making a tax-deductible donation if they will not be able to volunteer.

Total Payment Included with Registration \$ _____

Make checks payable to BSF Alpine. Installment invoices will be emailed to you. You may pay with Visa/Master Card only if paying in full.

Visa/MC number _____ Expiration date _____

I have read the BSF Alpine Handbook (see at bridgerskifoundation.com/alpine/alpine_forms) and reviewed it with my athlete. We agree to abide by all policies within the Handbook. I agree to pay the training fees indicated above along with any additional expenses for camps, travel, and all race fees when billed, and understand that late payments will be subject to a \$25 late payment fee. If credit card number is listed above, I authorize the program fees and/or donation indicated to be charged to my account.
