Dear Ski racers and families:

As a result of the sale of the Bridger Bowl license plates, BSF is once again in a position to offer Fall scholarships to those in need. This year there are six grants available for the season. BSF will award them based on need to 2 Jfast athletes and 4 Devo athletes. The Selection Committee may use some discretion in apportioning grants to those whom apply. All applicants and their application will be kept strictly confidential. The application form and criteria for application are below.

Criteria are as follows:

- Must belong to BSF Alpine and be a BSF member
- Must Submit the application form and required documents
- Provide a letter describing your need for this scholarship
- Provide a financial statement (IRS form 1040 or 1040A) showing your adjusted gross income from last year.
- The adult that is financially responsible for the participating athlete must be paid in full for any previous season's BSF team membership fees.
- For privacy concerns, please black out all social security numbers on the copy submitted with the application

Selection Committee Process:

- Applications must be submitted to the BSF office by December 1, 2009, in an envelope marked **Alpine License Plate Scholarship Application**.
- The Selection Committee will be made up of three people from the BSF "big board" that do not have children actively involved in the program.
- Applicants will be notified by email no later than December 15th, 2009.
- If scholarship is awarded the funds will be credited to the athlete's account to be applied to program fees or race fees.
